
Media Press Release: City EOC (Operational Period 3) 8/31/2018 11:11 am

City crews continue to adjust to the high water in the City. City Mayor, Alderman, and staff held a situation briefing this morning at the City Emergency Operations Center. At 10:00 am Governor Scott Walker visited with the Mayor, Aldermen, and City staff at City Hall for a press conference and general discussion about services the State is providing throughout Sauk County.

**“Emergency
Declaration”
approved
August 29, 2018**

Cleanup Kits: The Police Department has Flood “Cleanup Kits”. A link has been posted on the City Web Site from the County Health Department: Link: <https://www.co.sauk.wi.us/publichealth/flooding-2018>.

Sand Bagging: Sand Bagging operations have been suspended for today. If you no longer need sand bags take them to Nishan Park.

Donations: Cash donations can be made to the GSCF PO Box 544 Baraboo, WI 53913, and make checks payable to the “Greater Sauk Community Foundation”; or you can donate online. If you would like to donate online, please visit www.greatersauk.org.

Damage Reports and damaged property: Damaged property should be placed in dumpsters. Dumpsters are being placed around the community in flooded areas. Appliances can be placed on the treebanks for disposal. Take pictures of all affected property and damage. Report all damage to the Sauk County EOC: # (608) 355-3200.

Roads and Bridges:

Bridge - Main Street: All lanes of the bridge have been opened. The bridge has been inspected from the top. After the water goes down the bridge will be inspected further by the DOT.

Bridge – South Webb Avenue: The S. Webb Avenue bridge remains closed until further notice. It is anticipated it may open early next week after it is inspected.

Roadway Safety First: During any high-water event, certain roadways can become dangerous, making it impassable to all traffic. Motorists are advised to seek alternate routes. These areas have been marked with barricades and road closed signs. While areas may appear passable, the barricades are in place to ensure everyone's safety.

Press Information and Disaster Information:

The City Web Site has established a “City EOC Response” tab with the most current disaster information. www.reedsburgwi.gov.
